AUTISM CAREER CONNECTION

Program for job seekers on the autism spectrum to obtain gainful and meaningful employment!

CLASSROOM-BASED INSTRUCTION AND
COMMUNITY-BASED INTERNSHIPS

CALLING ALL JOB SEEKERS

ON THE SPECTRUM:

Autism Career Connection is a program that is specifically structured to fit the communication, social, functional, and employment skills and needs of individuals on the spectrum.

Work relevant skills are assessed for each student to determine progress throughout the program

Open to those between the ages of 18 and 24 looking to be employed

Classroom training will occur at Turning Pointe from September until January and focus on job-readiness and workplace skills.

Community-based work experiences will allow students to practice skills learned and get paid (through Parents Alliance)!
