

Bullying and Harassment Policy

The purpose of the policy is to provide students with a safe environment, free of offensive behavior, where everyone is surrounded by an atmosphere that upholds a core value of respect and dignity for all. Every person at Turning Pointe Autism Foundation has a right to feel respected and safe. Bullying and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important goals of our organization.

Definitions from Section 27-23.7 of the School Code (105 ILCS 5/27-23.7)

4. Through the transmission of information from a computer that is accessed at a non-school-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by a school district or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This item (4) applies only in cases in which a school administrator or teacher receives a report that bullying through this means has occurred and it does not require an organization or school to staff or monitor any non-school-related activity, function, or program.

Bullying includes *cyber-bullying* and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:
